ANNUAL MEETING

The Annual Meeting of The Pennsylvania Horticultural Society was held on November 19, 1947, at 3 P. M., in the Bellevue-Stratford Hotel, Philadelphia, with 194 members present. Vice-President and Secretary, John C. Wister, presided, and welcomed the members. He expressed regret that the President, C. Frederick C. Stout, was absent due to doctor's orders. (It is the first Annual Meeting which Mr. Stout has not attended since he became President 18 years ago.)

Announcement was made of election of the following members to the Executive Council:

For three-year term (1948-1950), Mr. W. Atlee Burpee, Jr., Mrs. John B. Carson, Mr. Harold Graham, Mrs. J. Norman Henry, Mr. William L. McLean, Jr., Mrs. Charles Platt, Mrs. Alan Reed, Mrs. Walter King Sharpe, Mrs. Irving Warner, and Mr. John C. Wister.

For two-year term (1948-1949), Mrs. G. Ruhland Rebmman, Jr.

For one-year term (1948), Mr. H. Gates Lloyd, Jr.

The Secretary reviewed briefly the events of the year. Two of the important events were the Membership Drive and the introduction of Horticultural Displays in the rooms of the Society. Reports of these activities were made as follows:

MEMBERSHIP COMMITTEE

"As Chairman of the Membership Campaign, I am very glad to have this opportunity to thank the members of the Horticultural Society and the staff for their splendid help in this, the Membership Drive.

"As you know, we are trying to raise the Society's membership to 5,000, and have made good strides, but have not as yet reached that goal. Today's membership is 4434. Since January, 1947, the Society has obtained 1125 new members, but has lost 172 through death and resignation, so the net gain is 953. It is interesting to know that 299 members have helped secure at least one new member, and that 35 have secured 5 or more new members. We are hoping that 1948 will see us well over our goal. Will you be so kind as to give me any suggestions or ideas as to how to accomplish this? We want your help. Remember—the campaign will continue and we hope we will have many close competitors for our 1948 prizes.

"The Society is fortunate in these times to offer you more instead of less for our very modest dues.

"On behalf of the Horticultural Society, it gives me great pleasure to award the following prizes:

First—Mrs. Edward J. Garra	32 Members
Second—Mrs. James C. Bleloch	20 Members
Third—Mrs. Karl Rugart	15 Members
Fourth—Mrs. Ernest C. Drew	14 Members
Fifth—Mrs. George A. Hewitt	13 Members
Sixth—Mrs. Sidney Keith	11 Members
—Mrs. William Kurtz Myers	11 Members

"I would like to congratulate Mrs. Jacques L. Vauclain and Miss Eleanor David, who each brought in ten members, and Mrs. S. N. Magill and Mrs. Donald J. Marquis, with nine.

"Respectfully submitted,

"FRANCES T. CARSON,
(Mrs. John B. Carson)
"Chairman."

COMMITTEE FOR DISPLAYS IN THE ROOMS

"The Society is constantly trying to give its members more and more of interest and assistance. With this in mind, it has instituted a new series of displays in the rooms. These take place about once a month—usually on the third Wednesday—and are horticultural in character, although several members are asked each time to do arrangements for the decoration of the rooms and at Christmas time the exhibit is of Christmas decorations.

"Various garden clubs are being asked to stage these exhibits and the Philadelphia Branch of the National Association of Gardeners and the Scott Horticultural Foundation are giving fine assistance. There is no competitive judging, but outstanding exhibits will be given recognition and at the end of the year there will be a sweepstakes award for the most points given any club or individual, or both, if it is warranted.

"The intent of these exhibits is twofold—educational and pleasurable, and it is the hope of the Executive Council that they will be found to be both and that members will more and more come to see them and to use the rooms of the Society. This experimental year will prove their worth or lack of it. Every member of the Society, whether a member of a garden club or not, is invited to participate each time, and every member is urged to come and see.

"Respectfully submitted,

"MARY M. P. ALLINSON,
(Mrs. E. Page Allinson)
"Chairman."

Following the business part of the meeting, Mrs. J. Norman Henry presented a most interesting address, entitled "Recent Experiences in England and Scotland." Mrs. Henry had been invited long ago to lecture before the Royal Horticultural Society in London and at the Edinburgh Botanical Garden. She spent parts of the months of March and April, 1947, in Great Britain and had the opportunity to meet and to visit many famous botanists and horticulturists. She told of the difficulties of present-day life in England and Scotland, and of the horticultural events, flower shows, etc., which she attended.

As there was no further business, the meeting, on motion, adjourned.

REPORT OF THE PRESIDENT FOR 1947

We can look back upon 120 years of the existence of this Society. It is my pleasure first to extend greetings to all of our members and a most hearty welcome into our midst to all those who have joined within the past year.

The year 1947, as it unfolded, turned out to be most interesting and most progressive. It was in the latter days of 1946 that the Society was obliged to move into the new quarters, which it now occupies. We have to express our deep appreciation and thanks to Mrs. Arthur H. Scott, who formed a small Committee to assist her and gave a Tea celebrating the event, which was attended by some three hundred of our members. Mrs. Charles Platt loaned some exquisite flower paintings executed by herself, and Miss Wertsner attended to the arrangement of all the Christmas decorations.

At the beginning of the year, Mrs. John B. Carson was elected as one of our Vice-Presidents. Mrs. Carson has been an active member for many years and she took the Chairmanship of the Committee that headed the Membership Drive, which turned out to be the most successful drive we have had, adding over eleven hundred new members. She has made a separate report to our members.

The Society was further strengthened during the past year when Mrs. G. Ruhland Rebmann, Jr., of Haverford; Mrs. Charles Platt of Chestnut Hill, and Mr. H. Gates Lloyd, Jr., of Haverford (who is now our Treasurer) were elected to the Executive Council.

Due to our having had to move and also to the rising prices, it has been very difficult to live within our budget allotment. I am happy to say, in response to my letter, special contributions during the year amounted to \$3,823.50, with the result that we have come through all these financially difficult times without a deficit in our treasury and without raising our dues, as at one time seemed inevitable. Because of rising prices, the magazine HORTICULTURE found it necessary to materially raise the price to us. Beginning in 1948, the magazine will appear once a month instead of having twenty issues a year.

We have on the agenda plans to work out a retirement policy for our office staff, for which I have appointed a committee.

I have also to acknowledge, and call your attention to, a further gift from Mr. H. Gates Lloyd, Jr., and Mr. Richard W. Lloyd—the portrait of their mother, painted by Charles Hopkinson, of Boston. It is now hanging in our Library overlooking her horticultural library, which was also presented to us by her sons. Mrs. Lloyd took a great interest in our Library and was Chairman of that Committee up to the time of her death.

The Library has also received three beautiful flower pictures, painted by the late Mrs. Isaac LaBoiteaux and presented by her daughter, Mrs. Thomas W. Drake.

The Society has co-operated with the Garden Club Federation of Pennsylvania in advancing the interest in horticulture throughout the State. It was in 1945 that we joined with the Federation in holding the first course for Flower Show Judges, and each year since that time two such courses have been given. These courses are given each year in April and October and have proven most successful.

I extend my congratulations and thanks to all the members of the standing committees and to all members of the office staff, whose combined efforts in a spirit of co-operation have brought about this splendid accomplishment.

As we look out upon the world today we still see tumult in the great fight for Peace. More than two years have passed since the founding of the United Nations in San Francisco, whose main task was to establish a lasting Peace in the world, and still the East and the West are un-united in the spirit of proper co-operation that is the very mother of the spirit of Peace. I quote from a great philosopher, prodigious writer, traveler, and poet, Rudyard Kipling:

"THE BALLAD OF EAST AND WEST"

"Oh, East is East, and West is West, and never the twain shall meet,
Till Earth and Sky stand presently at God's great Judgment Seat;
But there is neither East nor West, Border, nor Bread, nor Birth,
When two strong men stand face to face, tho' they come from the ends of the earth!"

Strong men have come "Face to face" and still the world waits for its lasting Peace.

C. FREDERICK C. STOUT,
President.

REPORT OF THE SECRETARY FOR 1947

Last March, the Philadelphia Flower Show was resumed after its omission during the war years. It was the highlight of 1947. Mrs. J. Gibson McIlvain headed the Committee for our section, with Mrs. G. Ruhland Rebmann, Jr., Chairman, and Mrs. Homer Reed, Vice-Chairman of the Schedule Committee. They obtained most gratifying results. During the Show, we held our Spring Luncheon, at which Lord Aberconway, President of the Royal Horticultural Society of Great Britain, was our guest of honor.

During the last few months, our Women's Committee for the 1948 Flower Show has been hard at work on preliminary plans which include drawing up the schedule for our section. Mrs. Alan Collins, General Chairman, and Mrs. W. Beaumont Whitney, 2nd, Chairman of the Schedule Committee, and Mrs. Homer Reed, Vice-Chairman, are directing the work. Through our co-operative agreement with the sponsors of the Show, our Life Members will, for the first time, receive a pass for the week. Annual Members will, as usual, receive a ticket good for one admission.

Another big event was the Chrysanthemum Show held in the Field House of Swarthmore College in November, and which is reported by Mr. Harold Graham, Chairman of the Exhibition Committee.

The Library, Garden Visits and Field Secretary's Department proceeded successfully, and a new project was undertaken in the form of Horticultural Displays in our rooms. Detailed reports of these activities are included in the Year Book.

In addition to our own activities, we co-operated with the Garden Club Federation of Pennsylvania in two Judging Schools—one in April and one in October. These Schools are designed to raise the standard of exhibitors as well as to train competent judges and we believe they are accomplishing their purpose. The students do serious work and examinations are held in connection with each School.

In connection with the Garden Club Federation, you may be interested in learning some of the figures for this year of the national organization with which it is associated. The National Council of State Garden Clubs, Incorporated, includes 4,500 clubs with a national membership of 175,000.

Another organization made up of garden clubs is the Garden Club of America, the first national organization (formed in 1913), with 135 member clubs in 35 States, comprising 8,300 members. There is some overlapping of membership in the two organizations.

A few of our office records for the year from December 1, 1946, to December 1, 1947, are as follows: We have had 865 visitors to the Library, out of a total of 2,058 persons who came to our rooms—exclusive of those who attended lectures and other special events in our quarters. Nineteen meetings were held in our Board Room by the Executive Council and various Committees of our Society, and 50 meetings were held by the Boards of other organizations with similar interests.

A summary of the membership record for the year is as follows:

Membership as of December 1, 1946	3465
Resignations (164) and deaths (48) during year	212
	<hr/>
	3253
New members added during year	1197
	<hr/>
Membership as of December 1, 1947	4450

In giving reports for the year, every effort is made to inform members about policies. It is difficult to give too many details without confusion. If any items are not clear, members are requested to communicate with the Secretary either personally or by letter.

Respectfully submitted,

JOHN C. WISTER,
Secretary

REPORT OF THE LIBRARY COMMITTEE FOR 1947

"America has everything," so it is said. No one can gainsay the fact that we in America do have a large portion of the good things that are in this world. Well, then we must share them. By so doing we give others, as well as ourselves, endless pleasure.

We needs must grow a Peace Garden. The Victory Garden will be of greater use if it is followed by a Peace Garden and in it, as well as fruits and vegetables, let there be lots and lots of flowers, that we may help spread beauty over the world. With so much beauty can Peace be far behind?

Come often to our Library and let our books help you to plan a Peace Garden.

Respectfully submitted,
MARY G. HENRY, *Chairman*
(Mrs. J. Norman Henry).

Library records show that there were 855 books circulated among our members. Our thanks are extended to the following, who have generously given books to the Library during 1947: M. REPORT OF LECTURE COMMITTEE FOR 1947

A series of four lectures on Tuesday afternoons and five Tuesday evening lectures comprised the lecture program of the 1946-47 season. The afternoon lectures were given in the Burgundy Room of the Bellevue-Stratford Hotel, Philadelphia, and the evening course was presented in the rooms of the Society. The program was as follows:

Afternoon Lectures—3 P. M.

- December 3, 1946—"Make Your Own Merry Christmas" (demonstrated and illustrated), Anne B. Wertsner.
 January 21, 1947—"Plants and Their Significance in the Life of Man" (illustrated), Dr. William J. Robbins.
 February 4, 1947—"Trial Grounds and Test Gardens" (illustrated), W. Ray Hastings.
 February 18, 1947—"This Green World" (illustrated), Rutherford Platt.

Evening Lectures—7:30 P. M.

- January 21, 1947—"The Small Garden" (illustrated), Anne B. Wertsner.
 January 28, 1947—"Gardening in the Shade" (illustrated), Gertrude M. Smith.
 February 4, 1947—"Trial Grounds and Test Gardens" (illustrated), W. Ray Hastings.
 February 11, 1947—"Why Plants Grow Where They Do" (illustrated), Dr. Ruth Patrick.
 February 18, 1947—"Small Fruits" (demonstration of Pruning), Estelle L. Sharp.

The Lecture Committee was responsible also for the program at the Spring Luncheon, at which Lord Aberconway was the special speaker; and at the Annual Meeting, at which Mrs. J. Norman Henry gave a delightful talk.

The lectures were open to members and their friends and the attendance, especially for the night talks, filled the room to capacity. On account of limited space and because we have many more members now than a year ago, the Committee has decided that attendance will be restricted to members in the 1947-48 series.

Respectfully submitted,

DOROTHY FALCON PLATT,

(Mrs. Charles Platt).

GARDEN VISITS, 1947

Garden Visits were held on Saturday afternoons in May, 1947, as follows:

Saturday, May 10—Main Line

Mr. and Mrs. C. Frederick C. Stout.
Mrs. Walter C. Janney.
Mrs. Lewis H. Parsons.
Mr. and Mrs. Isaac H. Clothier.
Mr. and Mrs. A. J. Drexel Paul.

Saturday, May 17—Wyncote, Rydal and Jenkintown

Mrs. Alan H. Reed.
Mrs. E. G. Alexander.
Mr. and Mrs. Walter Dannenbaum.
Mr. and Mrs. J. Liddon Pennock, Jr.
Mr. and Mrs. Frank H. Bachman.

Saturday, May 24—Vicinity of Chester Springs, Kimberton and Pottstown

Dr. and Mrs. A. C. Barnes.
Mr. and Mrs. H. Alarik W. Myrin.
Mr. Justice and Mrs. Owen J. Roberts.
Mr. and Mrs. Everett G. Rodebaugh.

The gardens were unusually interesting and beautiful, and gave much pleasure to the many members who visited them. The highest attendance, 703, was recorded on the first afternoon (as is generally the case). On the second afternoon, the high number was 628, and on the third day, 681.

Members were allowed to bring one friend. On account of the difficulties involved in having the gardens visited by such large numbers of people, it will probably be necessary to make some changes or restrictions in the 1948 season.

The Society is exceedingly grateful to the owners for opening their gardens to us, especially in these days when the problem of maintenance is so difficult.

Respectfully submitted,

JOHN C. WISTER,
Chairman.

REPORT OF EXHIBITION COMMITTEE FOR 1947

Your Committee is pleased that it again has a Philadelphia Flower Show to report after a lapse of five war years. A beautiful and successful exhibition was held in the Commercial Museum, March 17th to 22nd. In our part of the exhibition, the classes calling for section of a garden and for section of a room with appropriate plant material were exceptionally well done and interesting, and, of course, the dinner tables and other special flower arrangement classes were a mecca to many of the visitors.

On November 7th, 8th and 9th, a spectacular Chrysanthemum show was staged in the Field House of Swarthmore College by our Society, with the splendid co-operation of the Scott Horticultural Foundation and the Philadelphia Branch of the National Association of Gardeners. Mr. Harry Wood of the Scott Foundation worked very hard to secure exhibitors in advance of the Show, and he and Miss Wertsner planned the lay-out and took the lead in staging the Show itself. An admission charge of fifty cents was charged for the first time to non-members. Members of the Society and of Swarthmore College were given free admission. The total attendance was 5,419. Receipts from sale of tickets amounted to \$1,384.00 which, with a gift of \$125.00 for prizes from the Bartlett Tree Company, made total receipts of \$1,509.00. Expenses were \$2,072.00 and although receipts did not equal this figure, it was a satisfaction to have a large part of the expenses covered.

Chrysanthemums were at their peak, and large and small collections in diversified settings made a stunning spectacle. A beautiful display of Orchids in a natural setting added variety and interest, and the many classes of Flower Arrangements attracted constant attention. An excellent exhibit of berried trees and shrubs, correctly labeled and staged by the Scott Horticultural Foundation and the Morris Arboretum of the University of Pennsylvania, was one of the highlights. This exhibit, which is staged each year in a different setting, has come to be known as one of the finest features of the Show.

Respectfully submitted,

HAROLD GRAHAM,
Chairman.

REPORT OF THE EXTENSION COMMITTEE FOR 1947

In reporting for the Committee for which I have been responsible since its formation eleven years ago, I wish to emphasize the importance of the work of our Extension Secretary, Miss Wertsner. She has made the Society more representative of the Keystone State than merely of Philadelphia and its suburbs.

Pennsylvania has not been stingy in her work for the American nation at any time. The fact that Miss Wertsner has told of Pennsylvania gardens and garden processes in 75 lectures in 13 states is additional evidence in this direction. She has sung the Pennsylvania song with effect in Texas, Tennessee, West Virginia, Illinois, Michigan and the New England States. Always when she visited a community to lecture in it she looked up the best gardens in that community, and she did this in the course of almost 28,000 miles of travel during the year.

Of course, radio audiences heard the story many times, but in direct contact there were 10,000 people attending the lectures. In her office work, Miss Wertsner has answered more than 500 horticultural inquiries, has attended 17 meetings, and written 7 articles for the garden periodicals.

Miss Wertsner's work at the Philadelphia Flower Show in staging the Society's section and in staging the Chrysanthemum Show at Swarthmore were on a par with her other excellent horticultural endeavors.

It is my feeling that the Society is to be heartily congratulated on the effective service done by Miss Wertsner in promoting gardening.

Respectfully submitted,

J. HORACE McFARLAND,
Chairman.
